

**A FAST AND RELIABLE
 A3 SCANNING SOLUTION.**

Epson's A3-sized WorkForce scanners deliver blazing fast scanning performance at up to a maximum of 70ppm/140ipm. Bundled with Epson's Document Capture Pro software which offers Scan-to-Print, Scan-to-Cloud, email and FTP, document management becomes a breeze.

- 
 Scan up to A3
- 
 Speed up to 140 ipm
- 
 OCR
- 
 Ethernet
- 
 Power Savings

IT'S IN THE DETAILS.

High Speed Duplex Scanning

Increase your productivity with high speed one-pass duplex scanning at up to 140ipm.

Reliable and Convenient ADF

200-sheet high capacity ADF with ultrasonic sensor to prevent double-feeding, with settings for standard or thin paper scanning.

Optional Network Support

With this option, users can share the scanner by using their PC or scan directly through the network.

WorkForce series scanners excel in delivering exceptional scanning performance and reliability. A3 documents, books and odd-sized objects are scanned at blazing fast speeds of up to 80ipm on the DS-60000 and 140ipm on the DS-70000.

High Speed Duplex Scanning

The DS-60000 and DS-70000 scan with impressive speed in both simplex and one-pass duplex modes, resulting in significant improvement in office productivity.

Scanning speed:

DS-60000: 40 ppm (simplex), 80 ipm (one-pass duplex)

DS-70000: 70 ppm (simplex), 140 ipm (one-pass duplex)

Reliable and Convenient ADF

High-capacity 200-sheet ADF readily accepts a wide variety of standard or thin paper documents*. It is fitted with an ultrasonic sensor which prevents double-feeding and alerts users in the event of a mis-feed.

* Paper Document Size < A6 = 60-190gsm; All other sizes = 50-128gsm

Optional Network Support

With optional network interface panel, scanners can be shared amongst a work group without the need for USB connections. Users can easily select desired PC within the network via Document Capture Pro application installed on Client or Server PC.

Easy navigation of job settings with LCD panel on network interface panel.

High Durability and Endurance

WorkForce scanners are designed to support the needs of busy offices and workgroups. DS-60000 is rated for a high daily duty cycle of 5,000 pages, while the DS-70000 boasts an even higher rating of 8,000 pages per day.

Easy File Management

Document Capture PRO

WorkForce scanners come bundled with professional software that allows you to easily manage your scanned files.

Document Capture Pro (Windows only)

Easily scan, view, edit, save and transfer scanned documents. It can optically recognise barcodes, characters and blank pages in scanned documents to separate sections into different folders.

It also provides quick access to post-scan destinations, including scan-to-print, email, Windows™ Public Folder, FTP, Web Folder, and Scan-to-Cloud services such as Microsoft® SharePoint Server, Evernote® and Google® Docs™. Document Capture Pro also supports up to 30 customisable job settings.

Epson Event Manager (Mac only)*

Facilitates easier regular scanning on Mac computers with 1 pre-defined and 10 customisable jobs.

*This application supports USB only. Network option is not supported.

ABBYY FineReader*

This OCR software enables searchable content on your scanned PDFs for greater productivity. Asian languages such as Traditional Chinese, Simplified Chinese and Japanese are supported.

* Version 9 for Windows, version 8 for Mac OS X.

Saves Time, Money and the Environment

WorkForce A3-series scanners are equipped with energy-saving LED light sources that require zero warm-up time. The result is instantly responsive scanning with lower power consumption. Each model has a power-saving sleep mode that reduces energy consumption even further.

Fast and Flexible A3 Scanning

The flatbed scanner lets you quickly and easily scan A3-sized and wide-format documents such as maps, drawings, or large bound books and even odd-shaped articles. Images, graphics and text are captured with amazing clarity and accuracy.

High Quality and High Speed

With its high-resolution 1200 dpi CCD sensor, images, graphics and text are captured with amazing clarity and accuracy. Fast scanning speeds at 300dpi deliver quicker results over other scanners in its class.

Book Spine Correction

Scans are corrected for shadow and curvature around book spines.

Powerful and Comprehensive Epson Scan Features

The Epson Scan suite of functions includes numerous useful and innovative capabilities including the following highlights:

PDF/A-1b (ISO) Compliant Files

Stores original font size and maintains scans as an original copy.

Power Off Timer Setting

Save power consumption by programming the scanner to Power Off after being idle for a set time.

Colour Enhancement & Colour Dropout

Users can pick one of the preset colours (red, green, blue, pink, purple, yellow or orange) or use customised settings to remove or enhance the visibility of ink signatures, "Confidential" and "Urgent" stamps. This feature can also enhance or dropout multiple colours (max. 5) with one pass.

PARTNERS IN PERFECTION

Epson Ink Tank System Printer L1300

The Epson L1300 is the world's first 4-colour, A3+ original ink tank system printer, bringing ultra-affordability to high quality A3 document printing.

AcuLaser C9300N

The AcuLaser C9300N provides workgroups with superb A3 colour printing at 1200 dpi with outstanding reliability and lower running costs.
