

Epson's WorkForce DS-1630 is your perfect companion for easy and effortless digital storage. Its small, unobtrusive size also means a more organised and productive workspace.

IT'S IN THE DETAILS.

Clutter-free Workplace

Not only does the compact DS-1630 occupy little desk space, its built-in AC adapter ensures an orderly workplace at all times.

Convenient Scanning

Impressive scan speeds of up to 25ppm and a high ADF paper capacity of up to 50 pages minimise the need to manually replace documents.

Optional Network Connectivity

With the optional Network Interface Unit, the DS-1630 can be shared amongst a work group via Ethernet connectivity.

Document scanning is simple and effective with the Workforce DS-1630. With fast speeds, fuss-free connectivity and a compact size, it is the workplace essential for easy digital storage.

Clutter-free Workplace

Not only does the compact DS-1630 occupy little desk space, its built-in AC adapter ensures you do not have to deal with messy cables. This allows you to enjoy an orderly workplace at all times.

Convenient Scanning

The DS-1630 reduces the need to manually replace documents with a high ADF capacity of up to 50 pages. Efficiency is achieved with scan speeds of up to 25ppm for simplex and 10ipm for duplex (3-pass automatic duplex). What's more, you can scan odd-sized documents easily.

Optional Network Connectivity

With the optional Network Interface Unit, the DS-1630 can be shared amongst a work group via Ethernet connectivity. Scanned images can be easily pushed to the desired PC within the network based on user's pre-defined scan settings on the Document Capture Pro software.

Ease of Use

A free stop hinge allows the lid to be easily opened and stopped at an angle between 15 to 70 degrees. This increases usability, even with one hand.

Document Skew Correction

Automatically adjusts and straightens scanned images.

Misaligned document results in skewed scan

With Document Skew Correction, misaligned document is straightened when scanned

Colour Enhancement & Colour Dropout

Remove or enhance the visibility of ink signatures such as "Confidential" and "Urgent" stamps. Users can pick one of the preset colours (red, green, blue, pink, purple, yellow, orange, or all colours except black), or use the customised settings to dropout or enhance up to 5 colours of your choice with a single scan.

PDF Features for Added Convenience

The built-in OCR enables searchable PDF files. Secure your PDF files by setting a password to prevent unauthorised viewing, editing or printing.

Epson Scan 2 Features

Text Enhancement

Improves text recognition when scanning text documents, whether in colour, greyscale or black-and-white. Removes background for better clarity, which is especially useful for double-sided printed documents.

Auto Area Segmentation

This function allows separate scanning of both image and text in a document. It also automatically detects and scans text in black-and-white mode and images in halftone, giving clear text quality while preserving image details.

Document Management

Document Capture Software*

Epson document scanners come bundled with document management software that allows you to easily manage your scanned files.

Easily scan, view, edit, save and transfer scanned documents. The software optically recognises barcodes, characters and blank pages in scanned documents to separate them into different folders. It allows you to create up to 30 customised job settings, making multiple scan jobs a breeze.

The software also provides quick access to post-scan destinations, including scan-to-print, email, Windows® Public Folder, FTP, Web Folder, and Scan-to-Cloud services such as Microsoft® SharePoint Server, Evernote®, Google® Drive™ and SugarSync®.

* Document Capture Pro (Windows), Document Capture (Mac OS X)

Document Capture Pro Server

Document Capture Pro Server helps to centralise your scanning and manage your fleet of scanners without the need to install drivers on individual computers.

WORKFORCE DS-1630

Model Number	_	DS-1630	Dimensions & Weight
Scanner			DS-1630 Weight: 4.1kg (9.04lb)
Scanner Type	A4 flatbed colour image scanner with ADF		- ************************************
Sensor Type	Contact Image Sensor (CIS)		_
Flatbed Scanning Method	Fixed document and moving carriage		
Light Source	RGB LED		a. 1
Optical Resolution*1	1200 x 1200 dpi		121mm - (4.76")
Output Resolution	50 - 1,200 dpi (in 1 dpi increments)		- (
Bit Depth	Input: 10 bits/pixel; Output: 8 bits/pixel		-
Document Size			_ 450mm
Minimum	89 x 127 mm (ADF Simplex), 89 x 170 mm (ADF Duplex)		(17.71")
Maximum	216 x 297 mm (Flatbed), 215.9 x 3048 mm (ADF Simplex)		
Supported Paper Weight	50 - 120 g/m²		*1 Scanning resolution as defined by ISO14473. *2 Based on A4 documents.
ADF Type	3-pass duplex ADF		_
ADF Scanning Method	Fixed carriage and moving document		_
ADF Capacity	50 sheets (80g/m²)		_
Daily Scan Volume	up to 1,500 pages / day		_
Interface	USB 3.0, Ethernet (with Optional Network I	nterface Unit)	_
Scanning Speed *2			
Flatbed	Colour	Mono	
200 dpi	Approx. 7.0 sec, 1.4 msec/line	Approx. 6.0 sec, 1.1 msec/line	_
300 dpi	Approx. 7.0 sec, 1.4 msec/line	Approx. 6.0 sec, 1.1 msec/line	_
600 dpi	Approx. 26 sec, 3.2 msec/line	Approx. 14 sec, 1.6 msec/line	_
