experiences annually

Printing up to 22,000 envelopes per hour, this tough little machine can turn out some serious productivity. The AS-450 can hold a whole box of #10 envelopes (500) at a time. It can also take materials up to a 1/4" thick. The intuitive user touch screen gives operators full control to produce the best looking and most efficient mailings with ease.

WE'VE GOT YOU COVERED

Quadient maintains a network of offices across the country to provide local customer support and trained technicians who are ready to assist you. You can be confident that when you need knowledgeable support or expert service, the point-of-contact will be a Quadient office in your area consisting of a team of local professionals.
